	Internal Quality Assurance Cell (IQAC)	<p>About IQAC Cell As per Annexure 14</p> <p>The Internal Quality Assurance Cell (IQAC) at our University plays a crucial role in cultivating a culture of continuous improvement and academic excellence across diverse disciplines. As a key component of our commitment to quality enhancement, IQAC serves as a dynamic facilitator for sustainable development, strategic growth, and post-accreditation quality assurance.</p> <p>Our IQAC is dedicated to establishing and upholding comprehensive quality standards across all domains of university functioning, including teaching, learning, research, infrastructure, and administrative management. By developing and applying these benchmarks, the cell ensures that our multidisciplinary institution remains innovative, competitive, and aligned with both national and international quality parameters.</p> <p>IQAC prioritizes creating a learner-centric environment that encourages participatory and inclusive education. It promotes faculty development, resource accessibility, and the adoption of innovative pedagogical practices to support holistic student growth and research excellence. The aim is to foster an academic ecosystem that nurtures curiosity, creativity, and critical thinking.</p> <p>The cell actively seeks feedback from students, faculty, staff, alumni, parents, and other stakeholders to assess the effectiveness of institutional processes and identify opportunities for improvement. This feedback-driven approach ensures that the university remains responsive to the diverse needs of its community and continually advances its quality standards.</p> <p>As the backbone of the university's quality assurance framework, IQAC</p>

			is committed to upholding academic integrity, operational efficiency, and stakeholder satisfaction. Its efforts contribute significantly to positioning the university as a leader in multidisciplinary education, research, and societal impact.
		Library	Established Central Library upto 1,00000 Books, 1500 National and International Journal Subscriptions

d)	Admission & Fee		
		Prospectus (including fee structure for various programs)	As per Annexure 16
		Admission process and guidelines	<p>The admission process based on merit generally follows a series of steps to ensure that candidates are selected fairly according to their academic performance.</p> <p>1. Eligibility Criteria</p> <ul style="list-style-type: none"> • Educational Qualification: Applicants must meet the minimum educational qualifications for the course they are applying for (e.g., higher Secondary for undergraduate courses, bachelor's degree for postgraduate courses). • Course-Specific Requirements: Some courses may have additional requirements like specific subject qualifications (e.g., Mathematics for Engineering, Biology for Medical Sciences). <p>2. Application Submission</p> <ul style="list-style-type: none"> • Online/Offline Application: Candidates are required to fill out the application form, which is typically available online on the university's website or can be obtained physically. • Documents Required: Common documents include academic transcripts, identification proof, passport-size photographs, personal statement and other documents as specified by the university. <p>3. Merit Calculation</p> <ul style="list-style-type: none"> • Academic Performance: Admission is primarily based on merit, which is determined by the candidate's performance in relevant previous examinations. • Weightage System: University may assign weightages to different

		<p>subjects or components, such as entrance exams or other academic achievements, to calculate the overall merit score.</p> <p>4. Shortlisting Candidates</p> <ul style="list-style-type: none"> Based on the merit score, a shortlist of candidates is created for further consideration. If the university has a limited number of seats, only those who meet the minimum merit criteria are shortlisted. <p>5. Final Admission Offer</p> <ul style="list-style-type: none"> After evaluating all documents and performance, the university will release a final list of admitted students. Confirmation and Payment: Once the offer is received, candidates are required to confirm their admission by paying a confirmation fee as specified by the university. Document Verification: The university may also verify the original documents before granting final admission. <p>6. Orientation and Enrolment</p> <ul style="list-style-type: none"> After completing the admission formalities, the university will usually conduct an orientation session to welcome new students and provide them with necessary academic and administrative information. 	
		Fee refund policy	As per UGC Guidelines
