From the desk of **THE CHANCELLOR**

Dear Students,

It gives me great pleasure to share our vision, mission, and principles with you as the Chancellor of K.M. University. In accordance with the National Education Policy, our objective is to offer the last man in society a top-notch education. We want to empower our students with skills that go beyond their fields of study and provide them with ongoing innovation in education

Our goal is to completely change the way that students learn by placing a high value on knowledge, the ability to solve problems, leadership, interpersonal skills, communication, and general well-being. Through our partnerships and collaborations, we hope to have a long-lasting effect on society on a local, regional, national, and international level.

At K.M. University, we value dedication, impact, collaboration, creativity, inclusion, and sustainability. We are committed to fulfill our goals with unwavering dedication, addressing significant issues in the society, and working collaboratively through new lines of innovation. As we nurture a culture of inclusion, intellectual curiosity, and creativity, we strive to set an example of responsible financial planning and sustainability

Together, we will create a brighter future for all.

Kishan Chaudhary

Chancellor

K.M. University

Welcome Note

VICE CHANCELLOR

Dear Students,

I am thrilled to be part of the University that is committed to providing a transformative educational experience for all its students. I believe that education is a powerful tool that can change the world. Our goal is to equip our students with the knowledge, skills, and values that will enable them to succeed in their personal and professional lives and make a positive impact on society. Our faculty members are experts in their fields and are dedicated to providing high-quality education that is relevant to the needs of today's world. We also prioritize research and innovation, as we believe that it is through these avenues that we can create solutions to some of the world's most pressing problems.

As a society, we value collaboration and inclusivity, recognizing that diversity is a strength that enables us to broaden our perspectives and understand the world around us better. We are committed to providing a welcoming, safe, and inclusive environment where everyone has the opportunity to succeed.

I look forward to working with all of you and being part of the K.M. University family. Let's work together to create a better future for ourselves and for the world.

Prof. D.D. Gupta

**Vice Chancellor
K.M. University**

Welcome Note

PRO VICE CHANCELLOR

Dear Students,

I am delighted to welcome you to our academic community, where we are committed to excellence in education. Our vision is to provide high-quality education to the last man of society, promoting continuous innovation in education in line with the principles outlined in the National Education Policy.

Our mission is to create a transformative educational experience for our students, emphasizing profound expertise in their chosen fields, problem-solving abilities, leadership aptitude, effective communication, strong interpersonal skills, and a commitment to personal health and overall well-being. We believe that our graduates should not only be equipped with the knowledge and skills necessary to succeed in their chosen professions but also be prepared to make an impact on society in a transformative way.

To achieve this mission, we are guided by our core principles of excellence in education, innovation and research, and holistic development. We are committed to providing a well-rounded education that fosters intellectual growth, creativity, and critical thinking. Our state-of-the-art facilities and industry partnerships ensure that our students have access to the latest technologies and research opportunities

At K.M. University, we value dedication, impact, collaboration, creativity, inclusion, and sustainability. We believe that these values are essential for creating a positive and productive learning environment that prepares our students for success.

As an academic institution, we are committed to fostering a culture of innovation and research that drives advancements in the field of medical sciences. We encourage our students to think critically and creatively about the challenges facing society and to develop innovative solutions that can make a real difference.

I invite you to join us on this journey towards academic excellence and transformative education. Together, let us create a brighter future !

Dr. Sharad Kumar Agarwal

Pro ViceChancellor
K.M. University

Welcome Note

REGISTRAR

Dear Students,

I am honoured to oversee the administrative functions that support our academic programs and facilitate the student experience. Team KM is committed to provide you the best resources and support you need to excel in your studies.

Our motto-Gyanam Paramam Balam; Knowledge Is The Supreme Power -reflects our Vision and Mission. The University's logo signifies the objective of combining academic rigor to the academic excellence for its students.

Laurel Leaves stand for honour & signify growth & new opportunities. Shield is the Symbol of Trust to provide the best. Graduation Cap is Symbolizing the Higher Education providing Institute. The Peacock Feather (Mor Pankh) is a Representation of Lord Krishna's Blessings upon students. Human Figurine empowered students enjoying the education at campus. DNA Structure suggests that we provide medical education as our main forte, Ribbons signify the Support & Awareness we provide to our students and Text Crisp & clear University name along with our motto

We at K.M.U, value Dedication, Collaboration, Inclusion, Impact, Creativity and Sustainability.

At K.M. University, your success is our top priority, and I am proud to be a part of the University that is committed to provide a transformative academic experience.

I welcome you on this exciting journey of the advancement of your career in KMU Campus.

Dr. Pooran Singh

Registrar
K.M. University

Welcome Note

CONTROLLER OF EXAMINATION

Dear Students,

I oversee the conduct of all examinations. My team and I are responsible for ensuring that every exam is conducted smoothly, securely, and fairly. Our goal is to ensure that examination procedures are transparent and adhere to the highest standards of academic integrity. To achieve this, we develop policies and procedures that protect the rights of our students and safeguard the integrity of our academic programs.

We also ensure that the examination process is accessible to all students and that accommodations are provided to those who require them. We understand that the exam period can be a stressful time for students, and we are committed to being available to you throughout the process to help address any concerns you may have.

At K.M. University, we take academic excellence seriously. Our examinations are designed to challenge you and assess your knowledge and skills, preparing you for your future academic and professional activities. Please do not hesitate to reach out to us if you require any assistance. We are always here to support you in your academic journey.

Dr. Manoj Kumar Ojha

COE

K.M. University

Welcome Note

FINANCE OFFICER

Dear Students,

A Finance Officer in a university typically oversees all financial aspects, including budget preparation, expense management, and financial reporting. They ensure the university's financial affairs are in compliance with regulations and internal policies. Their duties also include disbursing salaries and pensions, managing accounts, and preparing the annual budget.

Maintaining accurate financial records, preparing financial statements, and reporting on the university's financial performance. Managing the university's cash flow, ensuring sufficient funds for operations, and optimizing cash management strategies.

Ensuring compliance with relevant financial regulations, internal policies, and reporting requirements. Overseeing internal and external audits to ensure the integrity of the university's financial records.

May be involved in identifying and securing funding opportunities, managing investments, and supporting fundraising initiatives. Providing financial guidance and support to university administration and faculty.

Mukul Sharma
Finance Officer K.M.
University

Welcome Note

CHIEF PROCTOR

Dear Students,

In today's fast changing society, it is the obligation of the educational institutions to safeguard the interest of a student, so that he can prepare himself for future challenges. Here discipline has a key role to play. To maintain discipline inside college premises is a prime concern for me. Discipline makes students punctual and develops good impressions in their minds for a better tomorrow. Whatever goals are nurtured by the students, can be achieved only through treading on a favorable, disciplined path. There is no alternative to discipline. It is also treated as a negative award to those who break the norms of discipline.

Dr. Vipin Kumar Solanki

Chief Proctor
K.M. University

Welcome Note

STUDENT WELFARE DEAN

Dear Students,

The students are fundamental unit and pillars of the University. DSW office of K.M. University has full-fledged inter-mediation between students and administration by giving them close supervision. Students play a pivotal role in the development of a country.

The main objective of the Dean of Students' Welfare is to ensure a congenial learning environment for all the students coming from different parts of our country and abroad by providing necessary guidance, suitable counseling, and solving their concerns within the parameters of DSW. Our motto is to help our students and take care of them on University premises. DSW is one window that is open for all students to make their constructive journey, stimulate young minds, and bring out inquisitiveness, passion, and the thirst for acquiring versatility in the various frontiers of students' life for the overall development of their personality as a conscientious citizen of our society. It is the constant efforts and contributions of students which play an important role in apprising students', originality, and unlocking new opportunities and creativity.

Dr. Kumar Raja Madasu
Dean, Student Welfare
K.M. University

Welcome Note

RESEARCH

Dear Students,

At K.M. University, our vision as a multidisciplinary University is rooted in a steadfast commitment to advancing research and fostering innovation across diverse fields of study. We believe that true progress emerges from the confluence of disciplines, collaboration, and a shared dedication to societal betterment.

Guided by our core values—dedication, impact, collaboration, creativity, inclusion, and sustainability we strive to nurture a vibrant research community that not only pushes the boundaries of knowledge but also makes meaningful contributions to society at local, regional, national, and international levels.

Dr. Dinesh Kumar

**Dean, Research
K.M. University**

Welcome Note

DEPUTY REGISTRAR

Dear Students,

It is our pleasure to introduce the Office of the Registrar and Human Resources, a dedicated team that provides a wide range of support services to ensure the smooth functioning of our University. Our office is committed to serving the needs of our students, faculty, and staff, and we are excited to work with you to create a positive and productive academic environment.

The Office of the Registrar is responsible for various functions that include student services, record-keeping, and academic administration. We are also the primary point of contact for statutory bodies and government agencies, ensuring that our University remains compliant with all regulatory requirements. Our team members, each bringing their unique expertise to the table.

We look forward to working with you and contributing to the success of our University

Sunil Agrawal

**Deputy Registrar
K.M. University**

Our VALUES

Dedication

Reflected in our work and our unwavering commitment to achieve excellence.

Impact

Reflected in our commitment to address significant issues facing society on a local, regional, national, and global scale.

Collaboration

Reflected in our interdisciplinary approach, emphasis on internal and external relationships, and ability to develop new lines of innovation.

Creativity

Reflected in our openness to new ideas and forms of expression, intellectual curiosity, willingness to take risks and entrepreneurial spirit.

Inclusion

Reflected in our culture and environment that seeks, welcomes, and nurtures the brightest minds from diverse backgrounds.

Sustainability

Reflected in our common desire to set a positive example in the preservation and protection of our natural resources as well as in our approach to responsible financial planning.

FACILITIES

Class Room

Experience your dream in real life with our digital classrooms, which are furnished with smart interactive boards, well-designed furniture, and comfortable seating arrangements for long-hour lectures & demonstrations.

Laboratories

The University has specialized labs for studying science, engineering, medicine, and communication skills throughout a range of academic subjects.

24x7 Medical Facility

Students of KMU have access to medical facilities within the campus through KM super-speciality hospital that offers all modern medical facilities such as General Medicine, ICU, Trauma centre, MRI, CT Scan, ECG, X-ray and pathology. All Students can avail medical facilities at 30% discount on billed amount on their hospital expenditure.

Library

The library has a stock of about 100000+ books in various disciplines and also facilitates access to E-books, E-journals and other literature available worldwide.

Transport Facility

KMU runs a fleet of buses to facilitate it's students to and fro within 25 kilometers.

Cultural & Sports Club

KMU has various clubs and societies that promote cultural and sports activities among students.

KMU

ADVANTAGES

KMU Aligns Itself to National Education Policy 2020

KMU's multidisciplinary bachelor's programme is a preferred option as it allows opportunity to experience the full range of holistic and multidisciplinary education in addition to focus on the chosen major and minors as per the choices of the students.

Outcome-Based Education is a student-centric learning model that empowers teachers to design course delivery and assessment strategies.

OBE Implementation in University Curriculum

KMU Focuses on Personality Transformation

KM scholarships are specially designed to suit personal needs of every student, allowing them to explore their passion and contribute in building a knowledge empowered India.

At K.M. Skills, we offer a range of programs that help you discover your true potential, whether you're preparing for competitive exams like CGLE, UPSC, IBPS, NET, CAT or looking to excel in job interviews.

Fulfilling Career Dreams Through KM Scholarship

Welcome Note

PRINCIPAL KRISHNA MOHAN MEDICAL COLLEGE & HOSPITAL

Dear Students,

As we begin this academic year, I am excited to share with you the vision and mission that guides our university. We are committed to providing a world-class education that prepares you for success in your chosen career and beyond.

Our mission is to foster a culture of innovation, creativity, and critical thinking. We believe that education is not just about acquiring knowledge, but about developing the skills and expertise needed to make a positive impact in the world. We strive to create a dynamic and student-centric learning environment that encourages collaboration, entrepreneurship, and lifelong learning.

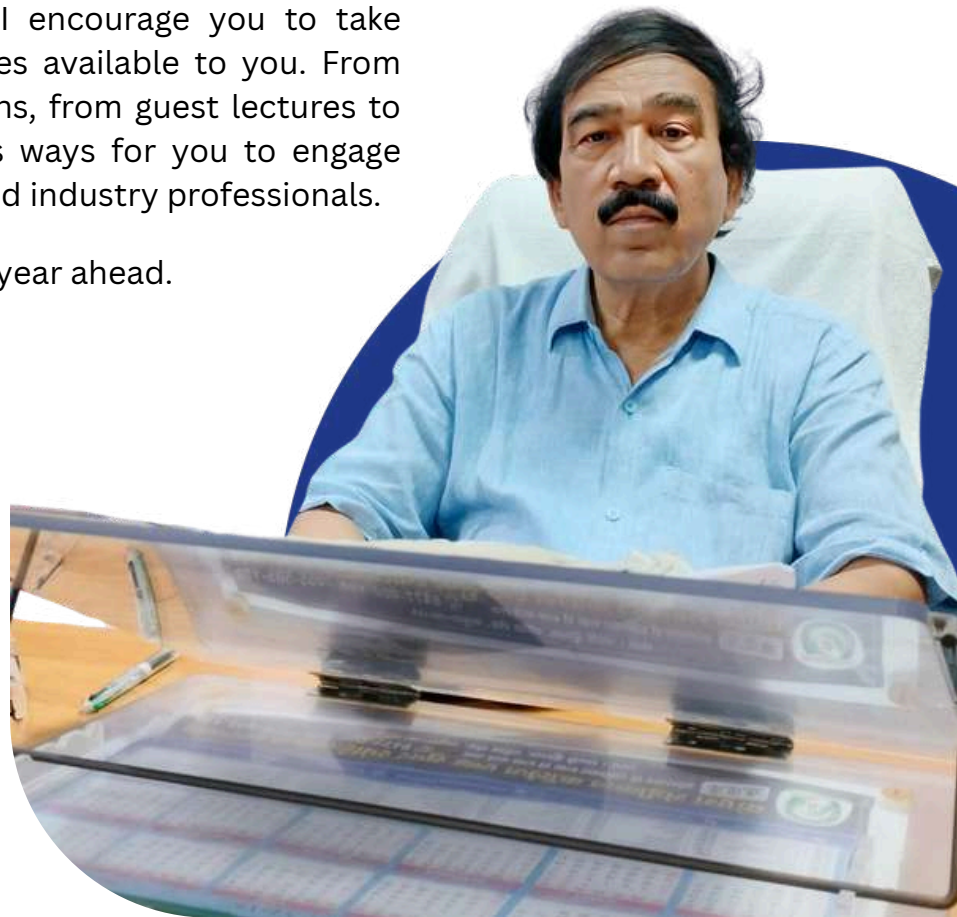

We are committed to providing a comprehensive education that prepares you for careers in a rapidly changing world. Our faculty members are experts in their fields and are dedicated to providing high-quality instruction, mentorship, and guidance. You will have access to state-of-the-art facilities, cutting-edge equipment, and innovative teaching methods that simulate real-world scenarios.

Our university is dedicated to fostering a sense of community and belonging among our students, faculty, and staff. We believe that diversity is one of our greatest strengths, and we strive to create an inclusive and welcoming environment for students from all backgrounds.

As you begin this academic year, I encourage you to take advantage of the many opportunities available to you. From internships to research collaborations, from guest lectures to cultural events, there are countless ways for you to engage with your peers, faculty members, and industry professionals.

I wish you all a successful academic year ahead.

Dr. P. N. Bhise
Principal,
K.M. Medical College

KRISHNA MOHAN MEDICAL COLLEGE & HOSPITAL

Duration - 3 Years

MS

General Surgery	Ophthalmology
Obstetrics & Gynaecology	Orthopaedics
Otorhinolaryngology (E.N.T.)	

Duration - 3 Years

ADMISSION PROCESS

Eligibility Criteria

Educational Qualification: Applicants must meet the minimum educational qualifications for the course they are applying for (e.g., higher Secondary for undergraduate courses, bachelor's degree for postgraduate courses).

Minimum Marks/Grade: University usually set a minimum percentage or grade point average (GPA) requirement in the relevant subject(s) for eligibility. This could be in the form of percentage marks in the previous examination.

Course-Specific Requirements: Some courses may have additional requirements like specific subject qualifications (e.g., Mathematics for Engineering, Biology for Medical Sciences).

Application Submission

Online/Offline Application: Candidates are required to fill out the application form, which is typically available online on the university's website or can be obtained physically.

Documents Required: Common documents include academic transcripts, identification proof, passport-size photographs, personal statement (if applicable), and other documents as specified by the university.

Merit Calculation

Academic Performance: Admission is primarily based on merit, which is determined by the candidate's performance in relevant previous examinations.

Weightage System: University may assign weightages to different subjects or components, such as entrance exams or other academic achievements, to calculate the overall merit score.

Entrance Exams (if applicable): The University conduct own entrance exams for specific courses (e.g., engineering and management). The merit score will then include the performance in the entrance test along with academic qualifications.

Shortlisting Candidates

Based on the merit score, a shortlist of candidates is created for further consideration.

If the university has a limited number of seats, only those who meet the minimum merit criteria are shortlisted.

Final Admission Offer

After evaluating all documents and performance, the university will release a final list of admitted students.

Selected candidates will be notified via email, university portal, or through a public notice

Confirmation and Payment: Once the offer is received, candidates are required to confirm their admission by paying a confirmation fee or part of the tuition fee, as specified by the university.

Document Verification: The university may also verify the original documents before granting final admission.

Orientation and Enrollment

After completing the admission formalities, the university will usually conduct an orientation session to welcome new students and provide them with necessary academic and administrative information.

Students will officially enroll in their respective courses and begin their academic journey.

FACULTY ENGINEERING & TECHNOLOGY

The Faculty of Engineering and Technology provides undergraduate and postgraduate programs in various fields of engineering and technology. The faculty aims to produce graduates who are competent, innovative, and socially responsible professionals with a strong foundation in theoretical and practical knowledge. It also conducts research in cutting-edge areas of engineering and technology to contribute to the advancement of the field.

Programme Offered

UG Programme : Traditional Engineering and Technology

Eligibility:

Passed 10+2 examination with Physics and Mathematics as compulsory subjects along with one of the Chemistry/ Biotechnology/Biology/Technical Vocational subject/Computer Science/Information Technology/Informatics/ Practices/ Agriculture/ Engineering Graphics/ Business Studies. Obtained at least 50% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together.

B. Tech - Computer Science and Engineering

Outlined in the job requirements:

Computer Science and Engineering is a field that combines computer science and engineering principles to design and develop computer systems, software, and hardware. Students will learn about computer architecture, programming languages, database management, computer networks, and software engineering.

Duration - 4 Years

Fees - Rs. 95,000/- Year

UG/PG Programme : Computer Science & Application

BCA

Outlined in the job requirements:

This programme is designed to provide students with a strong foundation in computer applications, database management, networking, and other related areas, preparing them for careers in various industries that require computer and IT skills, such as banking, finance, healthcare, education, retail, and e-commerce, among others.

Eligibility: 50% in 10+2 with any stream, English Subject is compulsory.

Duration - 3 Years

Fees - Rs. 40,000/- Year

MCA

MCA may be mentioned as a preferred or required qualification for certain positions in the technology or IT industry. This could indicate that the company is looking for candidates with advanced skills and knowledge in computer applications, as well as practical experience gained during their MCA program or subsequent work experience.

Eligibility:

Passed BCA/ bachelor's degree in computer science

engineering or equivalent Degree. OR passed B.Sc./ B.Com./ B.A.

with Mathematics at 10+2 Level or at Graduation Level (with additional bridge Courses as per the norms of the concerned University). Obtained at least 50% marks (45% marks in case of candidates belonging to reserved category) in the qualifying Examination

Duration - 2 Years

Fees - Rs. 40,000/- Year

FACULTY OF PHARMACY

The faculty of pharmacy provides students with a comprehensive education, training, and research experience in pharmacy, preparing them for successful careers in pharmacy and contributing to the advancement of pharmacy knowledge and practice. The faculty is committed to providing students with a comprehensive education in pharmacy that combines theoretical knowledge with practical skills training.

Programme Offered

B.Pharm

Eligibility: Passed 10+2 examination with English as one of the subjects and Physics, Chemistry, Mathematics (PCM) and/or Biology (PCB, PCMB) as optional subjects individually (as per PCI norms).

Duration - 4 Years

Fees - Rs. 1,25,000/- Year

D.Pharm

Eligibility:

As per PCI norms.

Duration - 2 Years

Fees - Rs. 90,000/- Year

FACULTY OF EDUCATION

The faculty of education & physical education ensures that educators are equipped with the necessary skills, knowledge, and pedagogical techniques to effectively engage students and facilitate meaningful learning experiences. Without proper training, the quality of education suffers, impacting student outcomes. Our faculty of education establishes the set of standards and professionalism, emphasizing ethical practices, continuous professional development, and adherence to best teaching practices.

FACULTY OF AGRICULTURE SCIENCES

According to estimates by the United Nations, the global population is projected to reach 9.8 billion people by 2050, representing a significant increase from the current population size. This situation is compounded by the fact that millions of people around the world still lack access to sufficient food. To address this issue, agriculture as an academic discipline plays an essential role in promoting research aimed at improving the quality and quantity of food production. These efforts aim to increase food production to meet the growing demand while also ensuring that the food produced is of high quality and meets the nutritional needs of the population.

Programme Offered

B. Sc. (Hons.) Agriculture Science

Eligibility: 10+2 with PCM, PCB or Agriculture with minimum 50% marks in aggregate.

Duration - 4 Years

Fees - Rs. 50,000/- Year

M. Sc.

Agriculture (Agronomy)

Eligibility: Graduate in relevant subject with minimum 50% marks in aggregate.

Duration - 2 Years

Fees - Rs. 40,000/- Year

Krishan Mohan Medical Hospital

We are a premier 1050+ bedded hospital in the heart of Mathura. To provide quality care at subsidized rates to one and all is our motto. Our facility in Mathura brings multi-specialty care within the reach of a vast region of population. Recognizing the need to bring advanced technology and clinical expertise together, we have taken steps to choose both with utmost care and have on board, outstanding clinicians with exemplary track record to lead and develop teams for excellence in practice, education and research.

Emergency care	Physiotherapy
Neurology	Ophthalmology
Dental	ENT
Skin & VD	Pediatrics
Pulmonary Medicine	Orthopedic + Joint Replacement
Gynecology & Obstetrics	General Surgery
General Medicine	

DOCTOR OF PHILOSOPHY (Ph.D.)

A Doctor of Philosophy (Ph.D.) is a terminal degree that usually denotes the highest level of academic achievement in a given discipline and is awarded following a course of graduate study and original research. Since it is an earned research degree, those studying for a PhD are required to produce original research that expands the boundaries of knowledge, normally in the form of a dissertation, and, in some cases, defend their work before a panel of other experts in the field. The completion of a PhD is typically required for employment as a university professor, researcher, or scientist in many fields.

Programme Offered

Ph. D. (in subjects related to Arts)

Eligibility: PG with minimum 55% marks in the relevant subject.

Duration - 3 Years

Fees - Rs. 75,000/- Year

Fees - Rs. 95,000/- Year

Ph. D. (in subjects related to Management & Technology)

Eligibility: PG with minimum 55% marks in the relevant subject.

Duration - 3 Years

Fees - Rs. 1,20,000/- Year

Ph. D. (in subjects related to Medical Science)

Eligibility: PG with minimum 55% marks in the relevant subject.

Duration - 3 Years

Fees - Rs. 1,40,000/- Year

Cultural & Sport Clubs OF KM UNIVERSITY

K.M. University fosters students' interest in cultural and sport activities. KMU provides the required facilities and plans, organises, and promotes the students to participate actively in events at the highest levels.

The cultural society will be governed overall by the following functionaries:

- The Dean of Students' Welfare
- Faculty Advisors of Cultural and sport Society
- The Associate Dean of Students' Welfare

Sports Club

The Sports Club of KMU, being the most enthusiastic club, has dedicated places for the practice of sports and events. It has Indoor games such as Chess, Carrom, and Table Tennis etc., and outdoor games like cricket, football, volleyball, Throw ball, and Basketball. There is a multi-court for Basketball, Volleyball, and Tennis for both men and women.

Specialised trainers for the sports activities held on campus ensure regular coaching and encourage the teams to participate in tournaments at the highest levels. To facilitate the students, it also conducts the University-level tournaments and Rolling Trophies for every game.

Students and Faculty Houses

The House system is one of the true strengths of KMU because:

- It provides an identity for the student and a sense of belonging
- It provides camaraderie, a sense of pride and loyalty to a group
- It provides a focal point to work as a team
- It provides an outlet for students to demonstrate/perform their interests and passions in a safe environment
- It provides opportunities for socialization and building doing things

For all these reasons all the students and faculty members of the university are divided into four Houses

**ROYAL
WINNERS**

TEAL

**SUPERB
LEADERS**

VIOLET

**KNIGHT
RIDERS**

VERMILLION

**FIGHTER
KINGS**

MAGENTA

Each house is under the management of a Head Coordinator who is responsible for the over all welfare of the students in his or her family. The Head Coordinator ensures that each House member has the opportunity to make full use of all University facilities, not only in academic pursuits but sporting actives. The house system promotes and celebrates the healthy competition that exists between the different house at KMU.

Social RESPONSIBILITY

Swachh Bharat Abhiyan Club

Swachh Bharat Mission is a campaign organised by the Government of India in initiating cleanliness all over the country. This mission has created interest among the students of KMU and worked for about 100 hours per year in initiating the aim of clean India Moment. As a part of the campaign, our students created awareness in Swachh Bharat Abhiyan and did outreach activities in nearby villages and created awareness in using closed toilets, segregation of composed and decomposed wastes.

Being a part of Swachhata Hi Seva and Swachhata Pakhwada, our students made sure to clean the campus and maintain a plastic-free zone inside the campus and also in their personal life understanding the toxic of plastic usages. Required trash bins are kept for separate rubbishes and made sure the environment is eco friendly and as a part, planted about 1000 plant samplings all around the university campus and road side by the students.

UNNAT BHARAT ABHIYAN CLUB

Unnat Bharat Abhiyan's mission is to enable participating higher education to work with rural India to identify challenges to develop appropriate solutions to accelerate sustainable growth. It also aims to create a good cycle between society and a comprehensive education system by educating and practicing for emerging professions and enhancing the ability of the public and private sectors to respond to the needs in the development of rural India.

Under the Unnat Bharat Abhiyan program, all Participating Institutes are adopting a cluster of five villages in consultation with Districts Collectors.

■ Lalpur

A village development plan is a plan outlining the desired developments according to the inhabitants – for the quality of life within the village and in the immediate surroundings. A village development plan identifies issues affecting the community – social, environmental and economic. It's a statement about how a community sees itself developing over the next few years and what actions are needed to realize that vision.

- **To decrease female illiteracy**
- **To use these groups as a platform for generating awareness of social issues**
- **To motivate women empowerment to improve basic sanitation**
- **To impart skills to the target beneficiaries**
- **Enhancement of awareness of social issues**
- **To develop a holistic, integrated development for sustainable village development using environmentally-friendly sustainable technologies and local resources.**
- **Empower women by actively participating in decision-making, increasing income and access to resources.**

Red Ribbon Club

The Red Ribbon was created in 1991 by the Visual AIDS Artists Caucus, New York City, America. The colour red was then chosen as it symbolizes the colour of blood and the idea of passion—not only anger, but love. A red ribbon was first worn publicly by Jeremy Irons at the 1991 Tony Awards. Later on, the red ribbon became the international symbol of HIV/AIDS awareness.

Red Ribbon Club is a voluntary organization of medical students. Its main aim is to sensitize students towards the risk perception and prevention of HIV infections among youth as well as promoting voluntary non-remunerated blood donation.

Different activities are routinely done to increase the knowledge and awareness among people on sexual reproductive health and HIV/AIDS through:

- HIV-AIDS Awareness rally
- Blood testing camp
- Lecture's on AIDS & Society
- Poster /Debate/Slogan Competition etc
- Health hygiene camp

Health Awareness Club

To initiate and promote our mission to spread health awareness, act with integrity, and persistence to contribute and transform our society with the motto of health for all.

- To initiate and promote our mission to spread health awareness, act with integrity, & persistence to contribute and transform our society with the motto of health for all.
- Raising awareness on the social and technical aspects of medicine for the community at KM Campus.
- Instilling a spirit of service and social responsibility related to all aspects of health care in future generation of doctors.
- Holding outreach programs and collaborations with the hospital for various camps.
- Conducting competitions, workshops, and medical conferences for interactive education on relevant health topics.
- Maintaining an active social media presence and contributing to the college magazine.
- Posters, videos, write-ups on WHO declared global public health days
- Health Shots- A series of interviews of the doctors of our hospital
- Blood donation drive, face painting competition along with the hematology department on World Blood Donation Day
- Mother Knows Best, a video making competition to celebrate World Breastfeeding Awareness Week
- Fitness Championship- A collaborative event with the Sports Club

Fine Arts Club

The Fine Arts Club brings out the hidden artistic talents of our students, cultural programmes are conducted during Independence, Sports and college day function. Students participate in Inter & Intra-College competitions. The purpose is to encourage students to express their thoughts and emotions through art.

Literary Club

The Club aims to foster love for language, enhance literary creativity and provide an avenue for self-expression beyond the school curriculum. It is also to develop and hone the literary skills of students and inspire them to develop a taste for literature by conducting various workshops. The Club also initiates competitions in extempore, essay writing, creative writing, poetry writing, debate, elocution, quiz and reading to enhance the speech and oratorical skills.

Fashion Club

The Fashion Club aims to bring students together who have a passion for the fashion industry by participating in local and regional fashion events. Club members work with Fashion Merchandising students to help with events and activities on and off campus. The Club has hosted fashion shows, fashion showcases, and window dressings of local businesses.

Music Club

Music Club caters to the passion of student providing quality facilities like instruments, dedicated music room and a plethora of events. It serves as a platform for musicians of all genres and skill levels to showcase their talent at various events held at K.M. University.
