From the desk of **THE CHANCELLOR**

Dear Students,

It gives me immense pride and pleasure to welcome you to S.M. College of Veterinary Sciences and Animal Research and S.M. College of Para Veterinary Science and Animal Research. Our institutions stand as centres of excellence, dedicated to imparting knowledge with compassion and innovation.

We are committed to providing high-quality education through our Undergraduate Programme (B.V.Sc. & A.H.) and our specialized Diploma courses, which are designed as per regulating authority with rigorous practical exposure. Our goal is to shape competent veterinarians and Para-veterinary professionals to excel professional knowledge and serve society with empathy and responsibility.

As Chancellor, I assure you that our institutions will continue to uphold excellence, integrity, and a forward-looking vision. I warmly invite aspiring students to be a part of this journey, where tradition meets modern science, and learning transforms into service.

With best wishes for a bright and compassionate future.

Kishan Chaudhary

**Chancellor
K.M. University**

From the desk of **Dean**

Dear Students,

Welcome to S.M. College & Veterinary Science & Animal Research

Our B.V.Sc. & A.H. curriculum is adopted as Per VCI standards through 4.5 years of rigorous academic study and a final year of immersive clinical internship. You will be transition student to a skilled professional capable of solving complex health challenges from domestic pet care to large scale livestock, wildlife care & management.

You are most welcome to this institute

Dr.Ajay prakash

**B.V.Sc & A.H.,M.V.Sc & Ph.d
Dean,
S.M. College of Veterinary Science &
Animal Research**

Academic Programmes

At S.M. Veterinary Institutions, our curriculum is designed to provide a comprehensive understanding of animal biology, disease prevention, and advanced medical treatment. We blend rigorous academic theory with intensive hands-on clinical training and entrepreneurship development to prepare students for the evolving demands of the veterinary sector.

Undergraduate Programme

Bachelor of Veterinary Science and Animal Husbandry (B.V.Sc. & A.H.)

Our flagship 5.5-year degree programme includes one year compulsory internship, focusing on clinical expertise, surgical proficiency, and large-scale livestock management.

Para-Veterinary Diploma Courses

We offer specialized diploma programmes to train the next generation of essential animal healthcare support professionals

Diploma in Veterinary Pharmacy: Focused on pharmacology, medicine management, and the pharmaceutical aspects of animal care.

Diploma in Livestock Extension: Designed to train professionals in livestock breeding, nutrition, and community-level veterinary outreach.

Veterinary College Building

Laboratory

TVCC

Veterinary Gynecology

Poultry farm

Dairy farm

FACILITY

Living Spaces: Single or double occupancy rooms furnished with a bed, study table, chair, and wardrobe. Options for both AC and non-AC rooms are available with 24/7 power and water.

Dining & Connectivity: A managed mess provides hygienic daily meals, complemented by RO purified water on-site. High-speed Wi-Fi/LAN is available for academic use.

Safety & Healthcare: The campus is secured by 24/7 guards and CCTV. Students have direct access to an on-site hospital and ambulance services for medical emergencies, supervised by resident wardens.

Wellness & Recreation: Facilities include common lounges with TVs, sports courts, gyms, and dedicated quiet reading rooms for focused study.

Convenience: On-campus services include regular housekeeping, professional laundry, and utility shops (stationery, groceries, and ATMs) to meet daily needs without leaving the premises.
